Dear Sir/Madam,

04/02/2021

Greetings from IIT Kanpur!

We are organizing a short term course on "*RADIATION HEALTH SAFETY AND SECURITY*" from 02-07 March, 2021 at IIT, Kanpur. This course is sponsored by the Quality Improvement Program, All India Council of Technical and Education, New Delhi. The details of the course can be found at the following link:

<https://www.iitk.ac.in/qip/courses/20-21/radiation-health-safety-and-security/#home>

We request you to kindly sponsor Engineers/Scientists from your organization having an interest in this area. This course will be very useful both for personnel involved in research work related to radiation science, nuclear safety and nuclear security as well as practicing scientists/engineers. We are sure that they will be able to enrich their knowledge and experience by attending this course.

Hoping for an early and positive response from your organization.

With best wishes and regards.

(Dr. Prabhat Munshi, Dr. Pankaj Wahi, Dr. Niraj Sinha)

Course Coordinators
