DPPC recommends to consider one interdisciplinary student over and above the allotted points to a faculty member irrespective of any parent department which is valid until the student submit synopsis. However, if any faculty member wants to take more than one interdisciplinary student, 0.5 point will be counted irrespective of any parent department. This agenda is also placed in the departmental faculty meeting for further discussion.

5. DPPC discussed about the suitability of ME 503 Technical Writing course for a Phd scholar. DPPC does not recommend this course as a mandatory course to fulfill minimum credit requirement for a PhD scholar and not even recommend for a course in comprehensive examination. Since this course has no relation with domain of work, it will be considered as an extra course of skill development for a PhD scholar.

6. Mr. Priyanshu Raj Srivastava (Roll no. 206103019), admitted in the PhD program in July 2020 semester has applied to withdraw his studentship from IIT Guwahati. DPPC recommends to discontinue his studentship and also recommend to stop the fellowship.
