MINUTES OF DPPC MEETING HELD ON 21ST July 2011(modified)

Member present: AG, PSR, AKD, SP, KM, SKD and DC

- The following four M. Tech students those who have scored less than 6 CPI after their 2nd semester have given application requesting the Dean(Acad.) to allow them to do some more courses to improve their CPI. DPPC discussed these applications case to case basis and opined that these students should be allowed to do additional 2 courses as mentioned below to improve their CPI. Accordingly DPPC chairman forwarded these applications to Dean (Acad.) with a recommendation to allow these students to do following additional courses to improve CPI. Also, DPPC discussed the application of Soumesh Harichandan who is terminated from the M. Tech program due to less CPI. DPPC opined that he may be allowed to continue the M. Tech program and may be allowed to take the following three courses to improve CPI. All these students may be allowed to take these additional courses along with the third semester course ME 610: Project Phase 1.
