6. Based on Dean's comment on delay in Mr J SUNKU PRASAD's supervisor allotment by the department (in fact DPPC), it is to be clarified that in spite of several follow up with the student to choose another guide since Dr Muthukumar's allotted PhD quota was full at time of requests for the supervisor allotment (which was rejected two to three times). Hence, fault lies entirely with the student who was not willing to take another supervisor and also with the prospective supervisor at time of making such requests when he knew that his PhD quota was full.

7. Mr Madhurjya Baruah (Roll No. 09610308), who did not give any progress seminar for last two years, was given show cause notice by academic office for not conforming to the regulations of the PhD programme. In his reply to the show cause notice the DPPC did not find proper ground on which his request to be recommended, however, the Dean (academics) may take appropriate decision based on supervisor's recommendation as per rule.

8. Based on Mr B. Kiran Naik's (146103001) request NOC may be issued by Dean (Academics) as per Institute rules, however, the institute scholarship may not be given during internship period, if the internship under BASE INTERSHIP PROGRAMME is awarded and the student joins for the internship.

9. Based on Mr Pawan Kumar Singh's (156103040) own request, it is recommended that his PhD candidature may be terminated since he has joined Heavy Engineering Corporation, Ranchi.

10. As per Dean's (academic) request, in admission to relatively new M.Tech programmes under CAM, CM and AP specialization, the eligibility criteria need to be spelled out clearly in the next advertisement.
