Minutes of DPPC Meeting (Ref: ME/DPPC/SB/2020/30/11 Dated 4th November, 2020)

Chairman: Prof. S. Senthilvelan

DPPC Members: Prof. S Bag, Prof. N. Sahoo, Prof. Manas Das, Prof. K.S.R.K. Murthy, Prof. D N Basu, Prof. S Talukdar , Prof. N Muthu, Mr. Lakshmi Ranjan Dhara (Student Member, PhD), Mr. Kunal Singh (Student Member, M.Tech)

The following are the minutes of the meeting:

1. The proposal on “Online M Tech programme at Mechanical Engineering Department” has been discussed among DPPC members. The following points are the outcome from the discussion.

a. Eligibility criteria: The candidate must be working in any registered company/industry and he/she must have qualified in GATE examination with a GATE score/rank. However, GATE qualification is exempted in the following cases:

- If the candidate has a minimum of 3 years of industrial/work experience at the time of applying for the said program.
(or)
- If the candidate has B.E/B. Tech from any IITs and having minimum CPI of 7.0/10.

b. Selection criteria: Written test/interview depending upon the number of candidates applied.

c. Maximum number of students in an offered specialization is 30.

d. The duration of the programme is 3 years.

e. The department shall offer M. Tech online program in different specializations viz., (a) Fluid and thermal (b) Machine design (c) Manufacturing science and engineering and (d) Computational Mechanics. However, based on the consent from departmental faculty members, the specialization will be making available for Online M Tech program and the same will be intimated to Academic Section for the advertisement.

f. Project work is mandatory in the third year. The candidate must have at least one supervisor from IIT Guwahati. If the candidate wishes, he/she may also select an additional supervisor from the same industry where he/she is working. In such case, the additional supervisor also participates in evaluation and grading of the project work.

- g.** Class timings shall be decided by the course instructors from IIT Guwahati.
- h.** It is mandatory to visit the department for at least 15 days in a year. The institute shall not make any arrangements during the above visits. However, the group coordinator may help to arrange the in-campus accommodation (if available) upon request from the candidate.
- i.** The assessment of the core course will be performed either online with viva-voce or offline mode. The project shall be assessed by the examiners in a similar way to that of regular M Tech students. If an additional supervisor is selected by the candidate (as mentioned in item f), he/she shall also evaluate the project work as per the rules of the IIT Guwahati.
- j.** The tuition fee per semester for each candidate is proposed as INR 50,000/- irrespective of category (SC/ST/OBC/GN/PD). However, additional fees above tuition fees may be added by the competent authority abiding the institute rule.
- k.** After successful completion of the proposed program, the candidates are eligible to apply for the regular PhD program in Mechanical Engineering Department, IIT Guwahati. In such case the candidates need to follow the selection process mentioned in the PhD advertisement.
- l.** In the certificate, M Tech for working professionals may be mentioned.
- m.** The department proposes that 30% of the tuition fee of a registered candidate (in a particular specialization) should be deposited in DPF account of the Mechanical Engineering department and remaining 70% of the tuition fee should be shared equally as an honorarium to all the faculty members involved in teaching the courses of a semester. The faculty members should be given an option either the honorarium be deposited in their PDF account without Tax deduction or to their personal bank account with Tax deduction. The concerned faculty member shall inform one of these two modes of receiving honorarium at the beginning of the semester.

Meeting ended with vote of thanks to the chair.

Roll No	Name	Supervisor(s)	List of Examiners
196103108	Evenmore Mylliem	Prof. S N Joshi	Prof. S Pal (C), Dr. Sajan Kapil, Dr. Manas Das

4. Based on application received from Mr. Sujoy Tikader (Roll: 146103002), seeking resignation from PhD program, DPPC has recommended to accept the resignation following the feedback from supervisor.

5. Based on the application received from Mr. N Muni Kumar (Roll: 174103017), requesting for special permission for the extension of M.Tech tenure, DPPC has recommended for the same in the following grounds

- The academic performance of the student (1st year) was good enough to continue.
- NOC is furnished from the industry (BHEL R&D) to continue M. Tech program.
- A strong recommendation from supervisor and possibility of interactions with industry for future collaboration.

6. The proposal for any restriction of elective courses to B. Tech students were discussed. DPPC recommends that all elective courses must be open for B.Tech students, unless there is ~~any~~ ^{any} prerequisite to opt for the course.

7. New course proposal form Dr. Nelson Muthu (Mesh Reduction Methods and XFEM) was discussed and recommended to academic section for necessary approval.

Minutes of DPPC Meeting (Ref: ME/DPPC/SB/2020/33/12 Dated 28th December, 2020), Part-A

Chairman: Prof. S. Senthilvelan

DPPC Members: Prof. S Bag, Prof. N. Sahoo, Prof. Manas Das, Prof. K.S.R.K. Murthy, Prof. D N Basu, Prof. S Talukdar , Prof. N Muthu, Mr. Lakshmi Ranjan Dhara (Student Member, PhD), Mr. Kunal Singh (Student Member, M.Tech)

Special invitee: Dr. P Khanikar

The following are the minutes of the meeting:

1. DPPC recommends the withdrawal from M Tech program of Rishav Gupta (Roll Number- 204103326).
2. K Sreenivasa Reddy (Roll No. 186103101) has applied for the withdrawal of his PhD programme even after reinstatement approval in the PhD programme. Although, the supervisors encouraged to stay in the program, however, the student did not agree to continue even in part time mode due to his personal/financial problems. Hence, DPPC recommends for the discontinuation of the PhD program after discussing with supervisors. The academic activities of the students is expressed in the following bullet points.

28th July, 2020 – Reinstatement application

30th August, 2020 – reinstatement approved

13th August, 2020 – performed State of the Art seminar

3rd September, 2020 – semester fees payment

26th September, 2020 – applied for discontinuation of PhD program

3. Rockey Kumar (Roll No. 196103026) had taken admission in PhD program (ME) July -2019. However, he had taken consecutive two semesters drop and started doing course works in the July 2020 semester. Till he has to consider another semester to fulfil the minimum required courses to continue for PhD program. DPPC recommends to continue the course work and suggest to select the supervisor(s) after successful completion of course work and comprehensive examination. DPPC also recommends to conduct comprehensive examination of Rockey Kumar by DPPC itself if the thesis supervisor(s) is not selected in-between.

4. DPPC recommends Prof. S K Dwibedi as MTP supervisor of Mr Supratim Sarkar (roll number 184103426).

5. DPPC discussed about Mr. Bijit Kalita (Roll No. 196103103) regarding his provisional admission to IIT Madras. The e-mail communications are sufficient to ensure that Bijit Kalita paid Rs. 5000/- for the acceptance of provisional offer. Few activities are highlighted for reference.

Bijit Kalita registered as a PhD scholar in December 2019 semester and soon after joining, he applied for day's scholar in health issue. However, his application was rejected at that time.

As reported by the supervisor, his performance was not satisfactory as well as supervisor was not able to fix his comprehensive examination during one year's time. Even, the TA work was not satisfactory as reported by TA supervisor. Looking into the spirit of the work as a research scholar and ethics of conduct, DPPC does not recommend to continue as a research scholar in the Department of Mechanical Engineering. DPPC also recommends to terminate from PhD programme of Mechanical Engineering department.

6. DPPC recommends the medical leave of Chandra Prakash Singh (186103013) for 45 days as requested by him. He will be reporting to mechanical engineering department on 1st February, 2021.

7. DPPC recommends the conversion from full time to part time for Divya Sachan (Roll No. 196103107) based on the inputs from thesis supervisor.

9. CCD proposal

The proposal on "Industrial/academic internships for students registered in Master Programmes of IIT Guwahati" has been discussed among DPPC members. Even the feedback from the faculty members are also included. Although most of the points have already been set in the proposal, the following additional points are the outcome from the discussion and/or feedback from faculty members.

- a. In principle, the initiative is supported by the faculty colleagues that will help in many folds. In general, the collaborative works with industry and research laboratory are possible. Both students and faculty members will get the opportunity to work on real-world problems. Even the students can get pre-placement offers which will enhance the placement opportunity for master students.
- b. However, few suggestions are there in modalities for the implementation of internship programme.
- i. The modalities for the regular assessment and monitoring of the progress of students has to be established. The rules can be made when a student is unable to work properly.
- ii. Co-supervisor from industry/academy partner can be adopted. Eligibility criteria to be decided for co-supervisor from other research laboratories or industries.
- iii. The data sharing policy (Item 2.5) may be more legible such that the content of the M. Tech thesis must be presentable abiding the rule of the department.
- iv. The student must allow to appear in the campus placement be present in the campus like other regular students.

10. DPPC noted the withdrawal from M.Tech program (July – Nov semester, 2020) of the following students

Reg. No	Name
204103336	Tinku Kumar
204103223	Rakesh Kumar Choudhari
204103323	Prashant Kumar Babul
