4. DPPC discussed the official leave requested by Pabitra Ghorai (144103077) for attending a training course on CFD at BHEL Bhopal. Since the nature of training and course is unclear, DPPC has asked the student to provide proper justification and supporting brochure for the course. Upon submission, the issue will be discussed in the next DPPC meeting for further approval.
5. Pritam K Rana (146103017) has applied for official leave from April 28, 2016 to May 20, 2016 (for 23 days) to visit IISc Bangalore for conducting experiments in FSSW as part of his Ph.D. work. This is a collaborative effort between IITG and IISc in the chosen field. This collaboration is a continued effort between us for the past six years. Considering the importance of visit for completing the Ph.D. work and the collaborative effort, the leave is recommended by DPPC for further approval from HOD.
6. Ch. Ravichandra Rao (11610319) has applied for nine days personal (medical nature) leave, from March 9, 2016 to March 17, 2016. He had met with an accident and fractured his wrist. As per CMO's recommendation and medical support letters, the requested leave has been recommended by DPPC. The student is expected to submit a fitness certificate from IITG hospital while re-joining.

7. Randhir Kumar Raman (154103099) has applied for medical leave from March 16, 2016 to April 4, 2016. He has been diagnosed with tuberculosis in abdomen. 8. Prof. KSRK Murthy has proposed conducting M.Tech. second phase viva-voce of K. Gopala Krishna (144103026) between April 20 to April 25, 2016. The student is expected to join Mazagaon Dock, Mumbai in the last week of April. Since the last day of instruction is April 28, 2016, and it is inappropriate to conduct viva-voce before the last day of instruction, DPPC suggested Prof. Murthy to conduct the viva-voce on April 24 or 25, 2016, and not before that, depending on the availability of examiners. A letter of appointment should be submitted along with the application has been informed.
9. Bibhuti Ranjan Bhattacharjya, a Ph.D. student working under Prof. S.K. Kakoty for Ph.D. has applied for academic leave from May 28, 2015 to July 15, 2015. The student has not received scholarship for 54 days, as DOAA has not approved of the leave, since he went for leave before it was granted. He has asked the DPPC to take a decision. DPPC discussed on March 28, 2016, and observed that the justification for the student going on academic leave was not strong. However, DPPC decided to grant him academic leave for a period of 30 days with scholarship and the remaining 24 days without scholarship, as the student is making repeated appeals.
