#### **About ITEx Institute**

We are a premier organization for the dissemination of knowledge and innovative ideas relating to industrial technologies. It's a forum to explore newage technologies; focus on operational excellence, continuous improvement/optimization techniques and think lean.

#### **Key Topics for Discussion**

- Unlock the future of **Drilling 4.0: Artificial Intelligence & Automation**
- Usage of **Remote Sensors** & other Intelligent Tools for continuous feed of **Real-Time Data**
- Advancements in Completion & Stimulation Technology
- Application of **Novel Drilling Technology, Optimization & Production**Enhancement
- Well Engineering & Construction, Cementing, Drilling & Completion Fluids
- Innovative **Technologies** for Drilling & Completion in Challenging Wells
- **New Technologies and Applications** for Drilling Industry
